

## MISSION STATEMENT

*“ABJ Engineering and Contracting, through our employees, will continue to be committed to provide the highest quality product possible for the Oil, Gas, Power, Water, and Industrial sectors as well as for Special Commercial and Sport Projects in the Middle East region and Worldwide. We are proud from our high level of technical knowledge, our state of the art fabrication facilities and our production proficiency which have placed us in a position of leadership in the fabrication industry. We will continue to build on our reputation as a company that values our customers and employees, and maintains standard of safety and excellence that will not be compromised”.*
