

QUALITY POLICY

The Organization's Quality Policy is a commitment to comply with the requirements of the quality management system and continually improve its effectiveness.

The principles of the Quality Policy are:

- To ensure that the delivered product is in accordance with the Customers Contractual requirement, meets statutory and regulatory requirements and provides reliable performance for the purpose intended.
- To involve all employees in the improvement of the quality system and train them and develop their skills in order to get the job done Right First Timeq thereby eliminating rework.
- To ensure that the quality objectives established by the management are pursued and reviewed.
- To maintain a Quality System that conforms to the requirements of ISO 9001:2008 Quality Management Systems.

A handwritten signature in blue ink, appearing to read 'Haytham Aboulhassan', is written over a horizontal line.

HAYTHAM ABOULHASSAN
CHIEF EXECUTIVE OFFICER
